Run don't walk to this place.

We booked our family & friends holiday at Casa Amore over 9 months prior to travelling.

The wait was well and truly worth it.

What a fabulous holiday we had, made even more wonderful by Zoe, Kylie, Danielle & Shannon.

Your two chefs kept us well fed and I don't think I've ever eaten that much good food on any holiday previously!

The beautifully decorated villa is kept immaculate by Klea, Dori & Lani every day & to have your laundry done each day too was a real billy bonus!!

The entertainment, Luke Unique, was hilarious, we couldn't stop laughing the next day.

Great fun. Your girls made the most delicious cocktails for us and looked after us so very well, I just didn't want to leave.

You have absolutely nailed it here Paula & Rick.. I salute your hardwork.

Congratulations to each and every member of the "Casa Crew". You're all 5 star.

Thank you for everything xxx
